Dear Secretary-General,

I am pleased to confirm that QUADRIO GAETANO COSTRUZIONI SPA supports the Ten Principles of the United Nations Global Compact on human rights, labour, environment and anti-corruption. With this communication, we express our commitment to making the UN Global Compact and its principles part of the strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Sustainable Development Goals. QUADRIO GAETANO COSTRUZIONI SPA will make a clear statement of this commitment to our stakeholders and the general public.

We recognize that a key requirement for participation in the UN Global Compact is the annual submission of a Communication on Progress (CoP) that describes our company's efforts to implement the Ten Principles. We support public accountability and transparency, and therefore commit to report on progress starting the calendar year after joining the UN Global Compact, and annually thereafter according to the UN Global Compact CoP policy. This includes:

- A statement signed by the chief executive expressing continued support for the UN Global Compact and renewing our ongoing commitment to the initiative and its principles. This is separate from our initial letter of commitment to join the UN Global Compact
- The completion of the online questionnaire of the Communication on Progress through which we will disclose our company's continuous efforts to integrate the Ten Principles into our business strategy, culture and daily operations, and contribute to United Nations goals, particularly the Sustainable Development Goals.

Sincerely yours,

**QUADRIO GAETANO
COSTRUZIONI S.P.A.**

History has taught us that the leaders who succeed are the ones who meet the needs of the future.

As we stand at the midpoint of the 2030 Agenda, we must be more than talk. We must be more ambitious. Don't fall behind the times. Move [#ForwardFaster2030](#) at forwardfaster.unglobalcompact.org
